Become a member today and support one of the newest museums in Massachusetts, filled with richly decorated works of art. Explore the Museum of Russian Icons' technologically advanced building, complete with exciting multimedia activities that examine the history of icons and Russian culture.

- Enjoy the contemplative nature of icons
- Explore Russian art and history
- Learn about Roman and Byzantine cultures
- See spectacular, richly decorated icons created over the past five hundred years

The Museum of Russian Icons was founded as a nonprofit educational museum by Gordon Lankton. The collection includes more than 300 Russian icons, the largest in North America and one of the largest outside of Russia. The collection spans six centuries, including important historical icons dating from the earliest periods of icon painting to the present.
